Hi Mike,

In reference to B. Snow's E-Mail of 4/28/98 stating that you would provide a store list for the above promotion, for NH Demoulas chains, I will need your store list as soon as possible as I am sending out Region correspondence on this promotion this week.

Also, as information, our Region is shipping Floor Bases (#542300) and POS Kits (#542295) directly to retail for this promotion.
